

Wireless Charger Transmitter MP-A2 Coil

Pulse Part Number SWW173N

V02

Features

- Magnetic Coil: antifreeze plate + coil
- Meet the Qi international standard, be customized according to order
- Ultrathin 、 compact 、 high efficiency 、 low heat
- Length and gap of the outgoing line is customizability

Application

- wireless charge

Electrical specifications

Inductance(uH)	10uH+/-10%
ACR@100KHz/1V (mΩ)	60 max
DCR@100KHz/1V (mΩ)	55 max
Q	100 min
